# GOOD360 IS ON A MISSION

## > Sustainability is in our DNA

Sustainability is in our DNA and consists of taking a holistic approach to supporting our business and not-for-profit network to achieve environmental, social and economic outcomes.

## > Preventing brand new goods going to waste

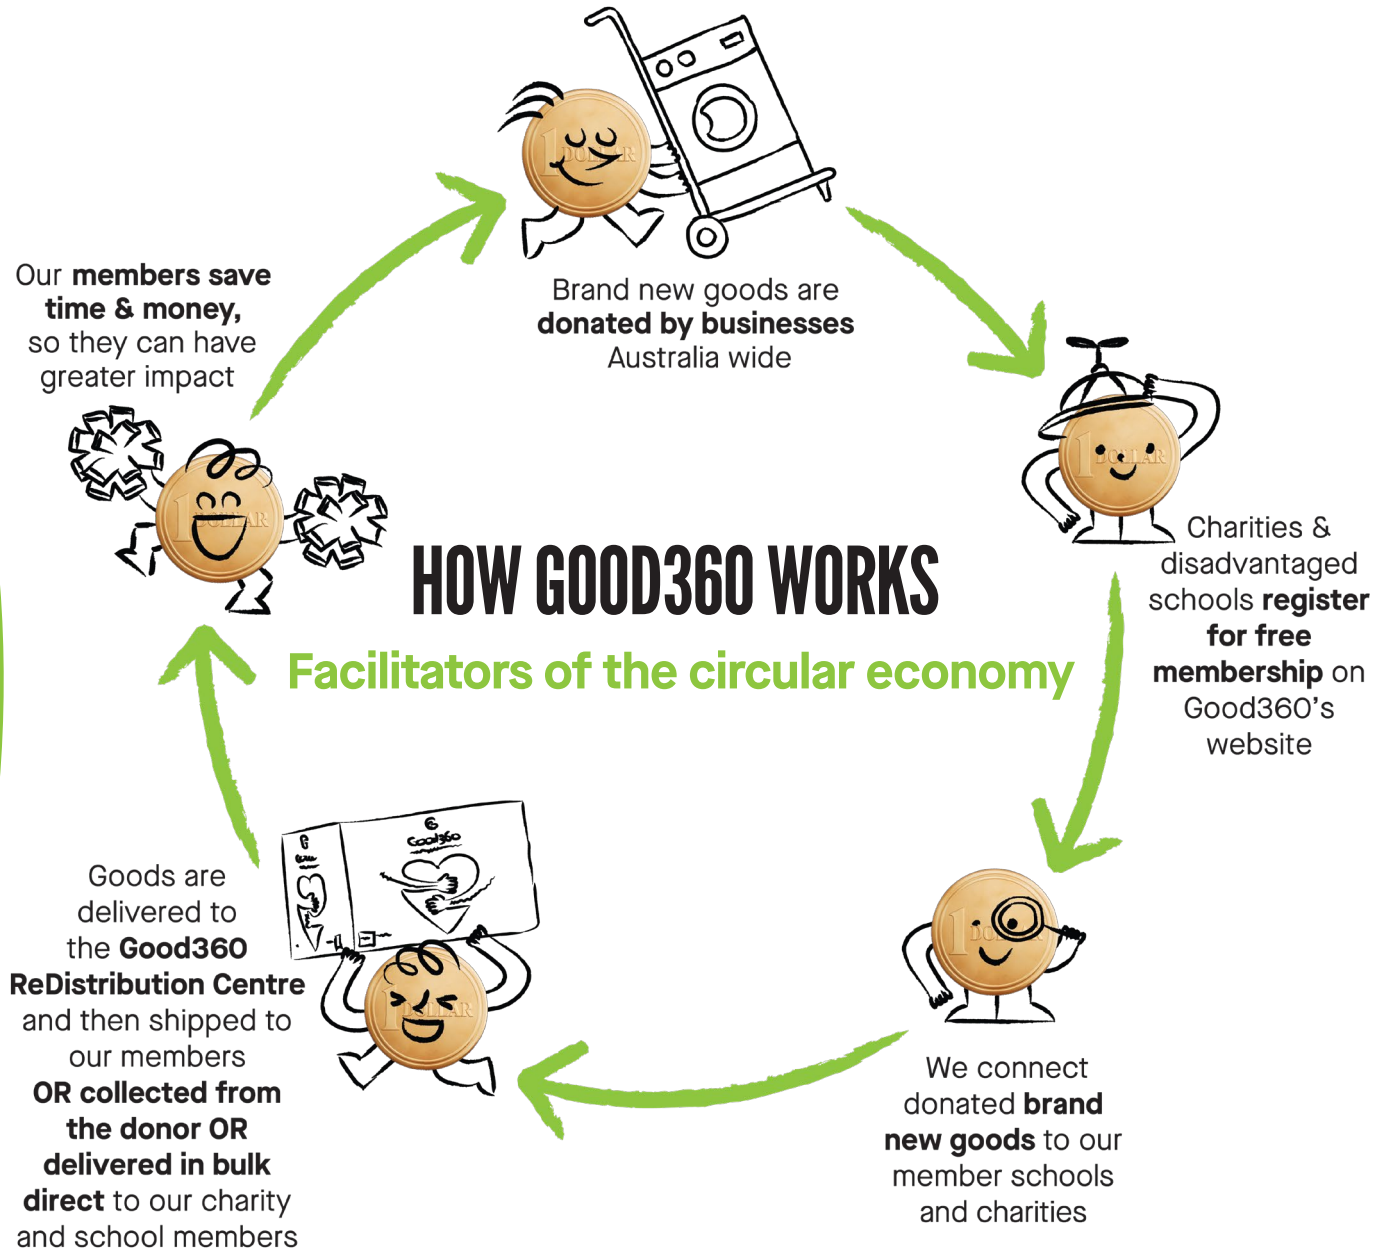

We work with more than 500+ businesses to keep usable goods from being thrown away by giving donated products a new life in communities that need them.

## > Fewer greenhouse gas emissions

By aiming to distribute donations locally we strive to reduce emissions where possible by limiting the movement of goods as much as possible and leverage reverse logistics and spare freight capacity where available.

## > Providing sustainable solutions

We help businesses achieve zero-waste of usable goods and provide access to needed goods to over 3600 disadvantaged schools and charities Australia wide, creating the opportunity for us all to waste less and help Australians in need.

# EVERYONE DAY

A day for everyone to come together and help people and our planet

Every \$1 dollar donated helps Good360 deliver \$20 worth of unsold, new goods to Australians in need.

Good360 is on a mission to raise funds that will enable us to deliver \$1 billion worth of brand-new goods to meet the growing needs of communities across Australia, while also reducing waste in our environment.

To help achieve our mission, Good360 has created a fundraising event called **EveryOne Day**.

## WHY RAISE FUNDS FOR GOOD360?

The Good360 Impact Multiplier  
20 times the good

**Good360 Model**  
\$1 donation  
= \$20 of goods

\$1 is donated to Good360. Businesses donate new surplus goods to us and we spend that \$1 on operations and logistics. Through the efficiencies and scale of our operating model, we take the \$1 donated and distribute \$20 of essential items to a person in need.

Creating 20 times the good.

**Traditional Charity Model**  
\$1 donation  
= \$1 of goods

\$1 is donated to a charity. The charity can go to a shop and spend that \$1 on a toothbrush, or give that \$1 to a person in need to buy a toothbrush.

# YOUR LOCAL IMPACT

All funds raised goes toward helping **local** charities and disadvantaged schools.

**Every \$1 dollar** donated helps Good360 **deliver \$20 worth of new goods** to **Australians in need.**

*If your team member raises \$100, that's \$2000 worth of goods.*

**Does your organisation **match donations?**  
Instantly double your impact!**

*Employee raises \$100, you match \$100, that's \$4000 worth of goods.*

# TOP WAYS TO GET INVOLVED

## Workplace and office fundraising ideas

### Sparkle and shine for people and our planet

Dress in something gold or sparkly and ask everyone to donate a gold coin. Collect on the day and transfer the proceeds to Good360 or ask attendees to donate online on the day.

### Challenge yourself

Pledge a dollar amount for every distance you run, ride, swim, row, climb or set yourself a big goal and ask your team to run their distance. Have a sporting event - draw attention with sparkles head to toe!

### Everyone's gotta eat!

Host a morning tea, lunch or get cooking with some yummy baked sweet treats. Go the extra mile with a gold and sparkly theme, think edible glitter, gold cupcakes, or something delicious cooked till golden brown.

### You do you

Do you have a passion or does your workplace revolve around a category? Make a personalised event or challenge with something fun everyone can get involved in. People are more likely to participate if it interests them.

### Raise awareness

Still not sure how you can help? Hang up some of our downloadable posters, share some social posts on internal and public networks. It feels good.

# FUNDRAISING IDEAS

## Workplace and office

It's easy for people to do their part, you can go simple or do a mix of multiple fundraising ideas. Bring attention to the cause and "sparkle and shine for people and planet". Hosting a one-off party? Encourage people to donate a gold coin on the day or share your unique, team fundraising QR code for online donations.

### Raise money or raise awareness by:

- > Host a gold/sparkly themed party
- > Dress up day
- > Host a morning tea with baked till golden brown treats!
- > Set a fitness challenge, try individual or team distances. Go the extra mile and wear all sparkles while you do! See if you can donate any prizes for the winners or give donations per kilometre
- > Host a mini olympics - sport or workplace related challenges and award "gold" medals - paint cardboard, hang chocolate coins or grab some props
- > Trivia night or silent auction
- > Can collection - Good360 Australia is able to be chosen from most can collection services
- > Hang posters for awareness
- > Share impact stories or social posts
- > Use your passion - are you great at something? Set a challenge, sell an artwork and donate the proceeds.
- > Ask your organisation if they match donations, instantly double your fundraising!

### Decorating to sparkle and shine

- > Gold and silver > Metallics > Sequins
- > Tinsel > Foil > Glitter > Disco ball
- > Edible glitter for food
- > Download our party printables
- > Night or indoors? Set the theme with golden glowing lights
- > Boozy? Grab metallic or golden coloured bottles, make gold inspired cocktails and mocktails
- > Grab chocolate coins for the tables

### Sustainable ideas

- > Upcycle jars and old toys with a coat of metallic paint to create new decor - just don't paint if you will not reuse them, as they will no longer be recyclable at kerbside
- > Use clothes already in your wardrobe for dress up days or layer multiple pieces of jewellery!
- > Use washable silver or gold cutlery - its already oh-so-shiny, no need for disposables
- > Does anyone love chips or snacks that come packed in foil bags? Search up some upcycling ideas to give them a second life
- > Party at night? Perfect, use glowing lights to set your gold and shiny theme
- > Old CD's and DVDs are incredibly reflective, break apart and create mosaic effects
- > Keep your decorations for fundraising each year - avoid one time use as much as possible

# PLAN AND SHARE YOUR FUNDRAISER

## 1. Choose your idea

Read over our top ways to get involved and fundraising ideas or come up with something fabulous, tailored to you. Once you know what you are doing, get permission for the go ahead and start planning!

## 2. Get permission

Make sure you have permission to fundraise at your workplace. Simply ask! Depending on what you have chosen to do, you may need to check with your state fundraising laws about games of chance or winning prizes. Remember to take care with anything in public - you may need first aid or approval from local councils.

## 3. Plan it

Once you have registered your team online, you will have access to a range of assets. Download pre-made images, posters and more, or for personalised content, use our Canva templates. Set your event dates or fundraising period, grab your gear, decorations and organise anything else you need for your event.

## 4. Tell Everyone!

Hang up posters in the break room or common shared spaces. Send out invites on social media or internal networks using pre-made images, banners and email signatures. Add the event to the agenda of your next meeting. Don't know what to write or say? Don't worry, we've got that covered too, download the pre-made templates from your account page.

## 5. Have fun!

It's event time! Host your event, do your challenge, round up your stats and make sure all offline donations have made their way to Good360. Toast your success, celebrate your teams efforts and give yourselves a pat on the back. Remember, every \$1 you raised is getting \$20 worth of brand new goods to people in need, so even if you raised \$100, that's \$2000 worth of goods to people in need! What a pack of legends!
